The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Town of Galway Community Building project in the fiscal year 2024. The entity to receive funding for this project is the Town of Galway, located at 5910 Sacandaga Road, Galway, New York, 12074.

The Town of Galway will use the requested funding to complete the construction of a community building that will provide resources for the senior and youth community members, and a safe gathering space for all community members. This construction will include the sitework to prepare the site to receive the building as well as the sitework associated with the septic system, the building structural elements including the foundations and framed structure, the electrical, plumbing and HVAC elements of the building.

I certify that neither I nor my immediate family has any financial interest in this project.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(19).

Sincerely,

A handwritten signature in cursive script that reads "Paul D. Tonko".
